SUMMARY

A dedicated and experienced software developer with more than 4 years of full stack development expertise. Committed to delivering high-quality software solutions and eager to contribute knowledge while continuously enhancing skills.

PROFESSIONAL EXPERIENCE

Software Engineer, 10/2021 - Current

Walmart - Bangalore

- Built and designed a completely new user interface for the Walmart Career site.
- Designed and implemented event-driven architecture to facilitate external candidates' application process for Walmart Jobs, including Store Jobs, Sam's Club Jobs, and Corporate Jobs.
- Efficiently coordinated Workday integration with Walmart Recruiting Portal for seamless hiring process
- Increased hiring efficiency by 60% via the implementation of candidate shortlisting features, enabling Hiring Managers to streamline the selection process.
- Implemented strategies resulting in a 30% decrease in cloud infrastructure expenses, achieved by optimizing CPU usage and streamlining pod deployment.
- Led the design and execution of a tool connecting job acceptance with orientation start.
- Led the development of an Internal Poker tool that resulted in significant cost-saving benefits for Walmart through enhanced efficiency in project tracking and estimation.

Software Engineer, 06/2020 - 09/2021

NovolInvent Software - Noida

- Developed the onboarding module, reducing manual onboarding processes by 80%, leading to a 70% faster customer onboarding experience.
- Created Equity, Cambio, Bond, and IPO trading modules, increasing order placement efficiency by 35% and improving transaction handling speed by 40%.
- Engaged with stakeholders, reducing feedback cycles by 30% through effective client discussions, UAT sessions, and regular project demos, ensuring project alignment, and client satisfaction.

ACCOMPLISHMENTS

- Won BRAVO Award for designing and developing a feature bridging the gap between job offer acceptance and the candidate's first day of orientation.
- Won Team Award for creating a Internal Poker Planning Tool for Walmart

TECHNICAL SKILLS
